

## **INFORMED CONSENT FOR MENTORING/COACHING/GUIDANCE SERVICES**

Drs. Manuela Veronesi and Lisa Dallera and Dr. Riccardo Telleschi, licensed psychologists registered with the Order of Psychologists of Lombardy, are the professionals appointed to carry out the mentoring, coaching, and guidance activities as outlined in Ministerial Decree 19/2024 at the CPIA of Lodi locations.

These programs are educational activities aimed at promoting inclusion and preventing school dropout, while valuing the potential and uniqueness of each individual.

The programs are designed for all students who demonstrate the need to work on personal and relational aspects in order to:

1. Foster awareness of their academic and life goals
2. Explore their aptitudes and inclinations
3. Promote self-confidence, self-esteem, and a sense of self-efficacy
4. Guide (or reorient) their academic choices.

The sessions will be conducted by expert psychologists selected by this educational institution, who will implement interventions focused on self-guidance, helping students evolve toward informed decisions about their academic and life paths.

The professionals, in carrying out their duties, are bound to adhere to the [Code of Ethics for Italian Psychologists](#), available online on the website of the Order of Psychologists of Lombardy (<https://www.opl.it>).

Personal and sensitive data of individuals seeking assistance, which are protected by professional confidentiality, will be used exclusively for the purposes of the intervention, in compliance with current regulations (EU Regulation No. 679/2016 and Legislative Decree No. 196/2003, as amended by Legislative Decree No. 101/2018) and the Code of Ethics for Italian Psychologists.
